Janice Hahn for LA County Supervisor 2016

15840 Ventura Blvd.

Encino, CA 91436

Dear Ms. Hahn,

We appreciate your support of public safety. I am happy to announce that you have earned our endorsement of your candidacy for **Los Angeles County Board of Supervisors**.

A LAAPOA endorsement is given only after careful consideration to those candidates exhibiting the finest qualifications and the highest commitment to public safety. Your commitment to remain a leader on issues regarding public safety has become evident to us by other fellow public safety organizations throughout Los Angeles County which too have endorsed your candidacy. Strong advocacy for public safety, public employees and educational policies is something that must remain at the foundation of government.

The Los Angeles Airport POA represents more than 400 police and firefighters. The Los Angeles Airport Police is the fourth largest law enforcement agency in Los Angeles County, with more than 1,100 law enforcement, security and staff personnel.

LAAPOA members take the endorsement process seriously and understand what it means to stand behind the right candidate for an elected office. As our organization works to protect some of the busiest airports and surrounding communities in the nation by providing the best trained law enforcement and fire safety personnel. We know that you will continue to express your support for first responders who provide public safety for millions of travelers every year.

Congratulations on your endorsement and the best of luck in your campaign.

Sincerely,

BOARD OF DIRECTORS
